**BUY LOCAL,
SAVE THE
ENVIRONMENT**

We are a local family business, based in Glasgow, and are the only approved supplier of exercise books on the framework that is based in Scotland. This is better for the environment as we do not have to ship our goods up the country, reducing emissions. It also allows us to offer a superior service with our own delivery fleet and helpful drivers for the central belt. We will lift your delivery right to the point of need, rather than a curb side delivery. By buying from Clyde, you are supporting local jobs and the local economy.
